## Quaker Crazy's Enough Said

To the Class of 2006:

I would like to commend all of you for the work and effort you have put forward throughout the last four years of our high school career. We are now at the point in our lives where we must leave the comfort of home to go out and take on life. Cherish the memories and experiences you have had here at Salem. However, don't become preoccupied with the past, instead use your experiences as tools to help propel you in this rapidly changing world. And for that matter, embrace change. Never be afraid to venture out and try new things. Set your aspirations higher than you ever thought possible and challenge yourself. This way if you fall short you will still be far better off than you were before. Remember; never be afraid to be great! I wish you all the best of fortune in your future plans and I thank all of you for allowing me the privilege to serve as president of such an exceptional class.

With warmest regards,  
Jacob Gano

To the Class of 2006: Congratulations, I would like to thank you for being such an important part of my life over the past 12 years. The time has come for us all to reach out and embrace the weight of the world. With all of us going in separate directions it is nice to know that the friendships, experiences, and memories we have made will always remain between us. Ralph Blum once said, "Nothing is pre-destined: The obstacles of your past become the gateways that lead to new beginnings." It was an honor to be your Vice President. To all my classmates, I wish you the best of luck, and much success in everything that you do.

Sincerely,  
John Lantz

To the Class of 2006:

Throughout our time here at Salem High School, we have made memories, good and bad, overcome differences, and set up a foundation for our future. These moments have all led us to reach this moment, graduation. This is time for us to go our separate ways to achieve our goals. Some have already chosen their path, while others are unsure of what to do with their future. Whatever your choice may be, I wish you happiness and the best of luck.

Goodbye and Good Luck,  
Carly Duckworth  
Senior Class Treasurer

To the Class of 2006:

Before we graduated, we enjoyed a lot of great years with a lot of great people. I hope that in coming years we recall all our happy times together. I hope that we remember our exceptional classmates, so that we can learn from them and make the future even better. And I hope that when we look back, we can say we were proud to be in the class of 2006.

Good Luck,  
Joseph Shivers  
Class Secretary

# Senior Timeline

## Freshman Year

In August of 2002 we first stepped foot into Salem High School as scared and intimidated freshmen. We tried to stay out of the way of upperclassmen as we tried to find our classes but it never seemed to work. Our class was led by President Jake Gano, Vice President Julie Cappuzello, Treasurer Annie Dombroski, and Secretary Kimberly Kenst.

In March of our freshman year we entered the war in Iraq with help from Great Britain and the approval of the UN. We started in the destruction of Saddam Hussein's regime and the process of making Iraq a free democratic nation.

Locally it was a big year for the area in basketball. St Vincent St. Mary's star basketball player LeBron James became the #1 high school basketball player in the nation and was the first pick in the NBA draft, chosen by the Cleveland Cavaliers.

We were faced with much reality when two of our fellow students, Ronda Williams and JP Guiler were both severely injured in major car accidents. The school and community did everything we could to support them and their families.

In this year Angela Ventresco was crowned football Homecoming Queen, and Amy Boyer took the title of Sweetheart's Queen. Christain Montford danced his way to Sadies King.

The box offices were rocked with movies such as Harry Potter, The Lord of The Rings: The Two Towers, and 8 Mile. Our radios blared with 50 Cent, Evanescence, Good Charlotte, and we watched Justin Timberlake breakaway from his days in NSync and go solo.

The band took a trip to New York and we danced the night away at our Freshman Formal where we were treated like movie stars with the theme "Hollywood". The biggest news around town was the opening of our very own Walmart.

This year came to an end very quickly but we were very excited to leave the freshman label behind.

## Sophomore Year

It was our second year at Salem High School and we entered more confident. Student Council was led by President Jake Gano, Vice President Julie Cappuzello, Treasurer Annie Dombroski, and Secretary Samantha Yeager.

Kellee Skiba clinched the title of Homecoming Queen and Jen Huzyak became Sweetheart's Queen. Jimmy Johnson was crowned Sadies King.

Movies we saw were Mean Girls and Finding Nemo and we said goodbye to tv favorites Friends and Fraiser. We listened to Lil Jon, Usher, and Jessica Simpson.

Our girls Varsity Basketball team reached the State Final Four. Spirit buses carried students, faculty, and community members to the Value City Arena in Columbus to support the girls. Deirdre Clary, Erin Murphy, and Patrick Gorby made it to state in Cross Country while Deirdre traveled to state again in Track in Field with Ashley Shea, Caroline Farina, Charity Montford, Lizzie Jesko, Aubrey Horning, Aiman Scullion, Drew Matak, Lance Buckley, Jon Lee, and Zac Grey.

The choir traveled to Boston to round off the year. We were prepared for the upcoming year when we would become upperclassmen!!!!

## Junior Year

We entered SHS in the fall of 2004 as juniors. We were led by President Jake Gano, Vice President John Lantz, Treasurer Charity Montford, and Secretary Samantha Yeager.

The seniors voted Rita Liggitt as Homecoming Queen, Ashley Hannay as Sweetheart's Queen, and Josh Kruegel as Sadies King.

Election 2004 hit the school in a mad rush. The decision in choosing between Senator John Kerry and President George W Bush had the halls full of debate. Young Democrats and Young Republicans clubs were both started up at the high school and held a mock debate in the auditorium.

It was big year for the band and Chamber Choir. The band traveled to Florida to march in the Magic Kingdom Parade at Walt Disney World, while the Chamber Choir had the opportunity to sing with American Idol runner-up Clay Aiken at Heinz Hall.

The Boys' Cross Country team had a remarkable season and ended it by becoming the State Division II Champions. Deirdre Clary and Liz Shivers also both traveled to the state meet.

Bryan Wright received All-Ohio Honors for football as a kicker and Jarin Heath received Honorable Mention also for football.

Ludacris, Green Day, Ciara, and Ryan Cabrera flooded the airwaves while we went to the theatres to see Hitch, The Notebook, and Ray. We sat at our tvs to catch Laguna Beach, Extreme Home Makeover, and Joey.

We were able to attend our first prom May 6, 2006 at Stambaugh Auditorium. The theme was "Bella Notte" and afterwards we attended afterprom at the Kent Wellness Center.

We ended the year with a sad farewell to the class of 2005 but it was finally our time to shine as seniors.

## Senior Year

We entered the halls of SHS August 23, 2005 as seniors. We finally got to see our names across the lockers and we were prepared to be the ruling class. Our class was led by President Jake Gano, Vice President John Lantz, Treasurer Carly Duckworth, and Secretary Joe Shivers.

We finally got to vote for our very own homecoming, sweethearts, and sadies courts. We selected Bree Whinnery as Homecoming Queen, Veronica Waite as Sweetheart's Queen, and Nick Righetti as Sadies King.

It was a year of loss here at SHS. We unfortunately lost Mrs. Elaine Haddad to cancer and fellow student Matthew Lanning due to injuries from a horrific car accident.

Boys' and Girls' Cross Country teams both went and conquered at state. It was the second year in a row for the boys to win and it was a nice way to finish this season with both teams being victorious. Also in SHS athletics, Bryan Wright received first team All-Ohio for football and signed to the University of Michigan for the sport.

In January we watched the Pittsburgh Steelers win the Super Bowl which excited many students at the high school.

This years prom was held at Divieste Banquet Center in Warren and the theme was Midsummer's Eve. Charity Montford received the title prom queen and John Lantz became prom king.

We entered Salem High School May 26th as our last day as seniors. We went through two graduation practices and finally the moment we'd been waiting for, GRADUATION! The commencement ceremony was held June 4th, 2006 in the high school gymnasium. Thanks to a generous donation from the Mr. and Mrs. Sebo the gym was beautifully decorated. We left Salem City schools with our heads high and diplomas in hand.

Congratulations Class of 2006-We finally made it! I wish you the best of luck in all you do-Tiffany Lynne Jones, Co-Editor Class of 2006

This year the junior class after prom committee held a girls powder puff game as a fund raiser to help lower the cost of going to Cedar Point for prom. It was seniors against juniors. Senior head coach was John Lantz and the junior head coach was J.J. Johnson. It was a cold, wet day but everybody had a great time. The final score ended up being seniors 25 and juniors 7.

Awesome game girls! Let's keep it going for next year!

## "Strength Punishes"

The Salem Quaker Football team impressed us all this year with yet another winning season. The Quakers have improved their overall record for the past three with a record this year of 7-3. The Metro Athletic Conference this season was a very tough conference to be successful in. With powerhouse teams such as Canfield and Poland in the MAC it was hard for the Quakers to get a good league record. However, the team was able to manhandle West Branch and rack up a "W" in front of their home crowd. The seniors were a very hard working class and produced many starters this year. Teams feared to contend with the Quakers because of knowing the upset ability that the boys brought to the field. The team was led by head coach Doug Phillips and his amazing coaching staff along with the four senior captains; Boe Endicott, Jarin Heath, Bryan Wright, and John Lantz. The senior class brought a high caliber of talent to the field. Many of the seniors were rewarded with all-MAC honors. First Team All-MAC: Jarin Heath, Bill Ellis, Marcus Grimm, Matt Jenkins, JJ Johnson, Bryan Wright, Zach Kennedy, and Boe Endicott. Second Team All-MAC: Tyler Pierce, Tom Jesko, Ryan Mullins, and Cory Rickman. All-MAC honorable mention: John Lantz, and Jake Pastore. With this magnitude of player talent it was no wonder that they had a successful season. Although they fell short of the play-offs by one spot. Congratulations to the seniors this year and best of luck to the seniors of next year. Keep the Salem tradition going!

# Boys' Cross Country

The 2005-2006 State Champion Boys' Cross Country Team had a successful season once again. Coach Rick Wilson led the team to numerous victories despite the injury plagued season. However, even with the team's setbacks, the team found a way to bring home a state championship. With first place victories at the MAC, County, and the district meets, the team has much to be proud of. The Quakers placed third at Regionals giving them a state birth. With back to back State victories the team next year has much to look forward too. Good Luck to all returning underclassmen.

The 2005-2006 Varsity and JV cheerleaders were coached by Debbie Kyser and the freshman were coached by Kelly Kyser. They went to Kent State University in June for their annual cheer-camp competition and they placed second overall. During the school year they participated in various activities. The girls' created signs to promote school spirit, they decorated the football locker room, gave the players candy and food before each game, and decorated their cars. They also had a pep rally for the football homecoming game and held another for the cross country team before they went to state.

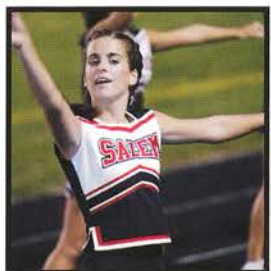

The cheerleaders did a great job of getting the teams and the school fired up for each game. Good job and keep up the hard work for next season. Good luck to all the sports teams!

# Baseball

Baseball is one of the toughest sports that involves a high level of hand-eye coordination. The Salem Quaker baseball team of 2006 showed how it should be done. The team had a up and down season, starting off with big wins, but soon falling a couple games short of MAC supremacy. The team was led by head coach Sean Kirkland and assistants Aaron Alejars, Gary Goddard, and Judd Crowgey. The team's seniors leaders were: Timmy Colian, Jarin Heath, Fred Rumsey, Marcus Grimm, Bryan Wright, Bill Ellis, Craig McElroy, and Ben Miller. The season ended with a record of 12-13 and a 4-9 record in the Metro Athletic Conference. Their tournament run ended short when they were defeated by Ravenna. Good luck to all the returning players for the 2007 season. Go Quakers!

The guests started to arrive promptly at 6:00p.m. and the dance ended at 8:00p.m. sharp. The night started with a bang when a special guest, Elvis walked in. Elvis walked in singing one of his famous songs "You ain't nothing but a Hound dog." The evening ended with a slow song. Everyone is looking forward to next year's spring fling.

The 2005 Fall play was entitled *Inherit The Wind*. The setting takes place in a small town where everyone knows each other, and everyone is friends. The play begins after a local school teacher, Mr. Bertram Cates, is imprisoned for introducing the theory of evolution to his class. After hearing what Mr. Cates has done, the townspeople become furious and call for action. Many of the locals are extremely involved with the local church and are offended when this new theory is presented to their children.

Mr. Cates then hires an attorney, Mr. Henry Drummond. Their defense is that children of the town should be taught both Creation and the Theory of Evolution, and that the children should have a right to choose what theory they believe in. Colonel Matthew Harrison Brady, a powerful religious supporter, is called in to defend the act of persecuting Cates.

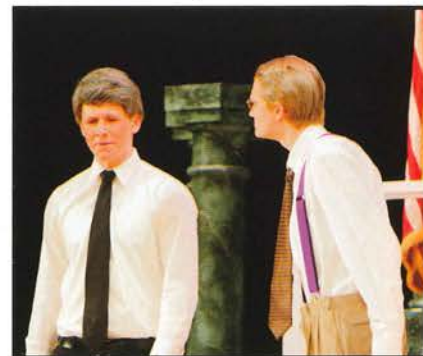

In the end, Mr. Cates is found guilty and sentenced to pay a fine of one hundred dollars. However, Mr. Drummond and Mr. Cates decide to appeal the case to the Supreme Court. When the announcement is made, Colonel Brady attempts to persuade the court to assist in keeping Cates' punishment, but unfortunately dies of a heart attack.

# Spring Musical

*Damn Yankee's* is a story about Joe Boyd, an old baseball fan. Joe would give absolutely anything to see his favorite team, the Washington Senators, win the pennant. The only thing in their way, those *Damn Yankee's*. Joe meets Mr. Applegate, also known as the devil. During the meeting, the devil tries to convince Joe to trade his soul for a chance to play for the Washington Senators and lead them towards winning the pennant. Nothing is holding Joe back, except for the love of his life, his wife Meg. However, Joe makes the hard choice to go along with the devil and makes the trade; Joe makes some things very clear to Mr. Applegate though. If he doesn't like the change and wants to turn back to his old self that he should have the choice to do so. With much debate from Mr. Applegate the terms are accepted and he turns Joe into a young baseball star, Joe Hardy. Mr. Applegate enlists help from his top temptress named Lola. Applegate hoped that Joe would forget all about Meg and become close 'friends' with Lola, this would almost guarantee that Joe would forever belong to him. Joe loves his wife and doesn't fall for Lola's 'act'. Joe outsmarts Mr. Applegate, leads the Senators to the pennant and returns to his wife as his old normal self.

The production was headed by the Musical Director, Mrs. Carol Jeckavitch; Artistic Director, Mrs. Marlene Menaldi Strollo; Orchestra Director, Ms. Jodine Pilmer and Choreographer Mr. Nick Opritza.

Mrs. Marlene Menaldi Strollo said it best, "Light, fast-paced and devilishly clever, *Damn Yankee's* is a home-run hit whose all-American subject matter has brought many a sports fan into the theater." Congratulations on a great show !

# BAND

The Pride of Salem's 2005 Marching Band is used to being the **BIG** fish in a **small** pond, with members usually ranging from 175-200 students. However, this year the Salem Band found themselves to be **small** fish. This year the Salem Band consisted of 117 student, 24 students being seniors. Yet, even with a much smaller band this year, the Pride of Salem upheld the pride by playing their traditional pregame show and showed off their marching styles to Director Jim Purrington's favorite 70's classics. Near the end of football season, the band's pride had the fans on their feet as they honored Ohio State with their very own "Script Ohio!" Leading Script this year were senior Drum Majors Beth Shasteen (10/14 & 10/28) and Jason Stewart (10/21). The Honor of dotting the "I" this year went to senior sousaphone players Ali Calvin (10/14), Katie Winn (10/21) and Kimberlie Moats (10/28). During the third quarter at all home games the crowd is entertained by the Pride's Pep Band. Each year Salem hosts the annual Salem Band Show and attends surrounding areas shows as well. Throughout the season the band leads the following parades: Salem Memorial Day, Jubilee, Halloween, and the Christmas/Holiday parade. At the end of the marching season the band puts away their spats and gloves and some trade instruments, for a more relaxed concert season. The marching band then splits into two bands creating the Concert and Symphonic band. This past St. Patrick's Day the Symphonic band attended the United Local High School Concert Band Festival in which they received great feedback from a highly qualified University-Level music educator.

# Starfish

Starfish is in its second year at the high school. The program was created to stop bullying in our schools. The members are encouraged to intervene when they see an incident occurring, such a fight.

The advisor of Starfish this year is Mrs. Bosheff. Mrs. Bosheff was in charge of organizing a dance with our special needs program here at Salem High School. The dance was fun and many of the Starfish members worked hard to ensure its success. Starfish has also organized many successful events that have benefited many students here at Salem High School. Both Mrs. Bosheff and the members of starfish do a great job!

## Big Brothers & Big Sisters

Big Brothers and Big Sisters are made up from a select group of Juniors and Seniors that attend both Reilly and Buckeye Elementary schools. The members work with at risk children and plan special events each month. For Thanksgiving they went and had a feast with the kids. For Christmas they bought the kids T-shirts and watched *The Polar Express* with them.

Other activities they have done were going to the Community Center and making Valentine's with them. They also have decorated cookies with young students. In the Spring students from the elementary school went bowling with their "Big Brothers and Sister." Big Brothers and Big Sisters is an excellent program and it is really making a difference in the lives of many young children in our school district.

The advisors this year are Miss Carmello and Mrs. Thayer. Both ladies really do an outstanding job! If you are a Junior or a Senior, you should really think about getting involved with Big Brothers and Big Sisters. It is very rewarding and heart felt when you know that you were able to make a difference in the life of a child.

## Exchange Students

This year the foreign exchange students were Silvia Fontana and Nicolas Otavio Orlandi.

Silvia came from Stapno Lombardo, Italy. She has a younger brother Mirko, and her parents names are Luigi and Annalise. She is residing with the Waterbeck's.

She loves softball, ice skating, bike riding, running, animals, and nature. She is involved with TACT, Pep Club, Interact, and Spanish Club. She says she really enjoys the people, but the boys drive her crazy. She can't wait to go home but she will definitely miss her new friends.

Nicolas came from Joinville, Brazil. He is 18 years old. He is residing with the Calvin's.

He loves skiing, ice skating having snowball fights, building snow men, football, refills at restaurants, and Mountain Dew. He can't wait to go home, but he will be missed by his crazy friends here. Many students at Salem High School have found two great friends in Silvia and Orlandi.

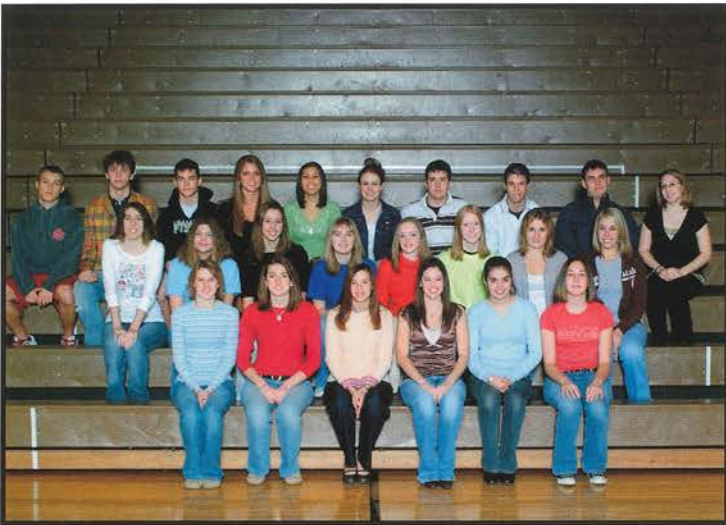

It is our hope that both will stay in the United States but we also understand how difficult it must be for them to be away from their families for an extended amount of time.

# Aids/Announcers

The office/ teacher aides are very appreciated through out our school. They give up their study halls in order to help the office and teachers with the extra work that they don't have time to do. As always, we all appreciate all of the hard work that these individuals give to the office and to our teachers!

Dear Tim,

You are the last one to leave the nest and you'll be missed. We're so proud of you. Where did those years go, from the day you were born until now? We'd do them all over again if we could. But we know you'll take all the wisdom, love, and compassion with you, and you will make a difference.

We Love You,

Dad and Mom

Dear Catherine,

If there were ever a time to dare,  
To make a difference  
To embark on something worth doing  
It is now.  
To make your days count.  
Dream big.  
Know, though,  
That things worth doing  
Seldom come easy,  
Let your instincts, your intellect  
And let your heart guide you  
The start of something new  
Brings the hope of something great

Love,

Mom and Dad

Dear Kyle,

You are our favorite guy in the whole world and we both love you very much. You are, always have been, and always will be the light of both our lives. You are strong and amazing and you have more love and laughter in your heart than anyone we've ever known. You go through things that most grown adults couldn't face and you have always loved life and kept a smile on your face in spite of the difficult things that come your way. You've never given up. As your mom and sister, we both feel more respect and love for you every single day.

You have touched so many lives in so many ways. You are smart, funny, and sweet and you have such a big heart. You have always been able to bring good into the lives of others and make them smile, just by being yourself. We're proud of you buddy and we love you!

Love,  
Mom and Sammy

Dear Matt,

You have grown into an outstanding, kind and thoughtful young man. We are so proud of you and all that you have accomplished while at Salem High School. We wish you success in the future and in everything you do. You will always be our "Little Matty J."

Love,  
Mom, Dad, and Stacey

Dear Tracey,

We just want to tell you that we are so proud of you. Your love, kindness, compassion, work ethic, and strong spirit make you the special person you are.

We know that what ever you attempt in your life you will always do your best.

May God bless your life with happiness and peace, as we know he is with you always.

Love Forever,  
Mom, Dad, and David

Dear Damian,

We remember sending you to kindergarten as if it were yesterday. The years have gone so fast and you have gone from an innocent child to a responsible adult.

You have achieved everything that you have started. This is a sign of how responsible and dependable you are.

We are very proud of all your accomplishments with church scouts, school and work.

Now that this chapter in your life is almost over, a new chapter will begin at Miami University. We know that you will complete and succeed in this endeavor also.

Love,  
Mom and Dad

Dear Bill,

We have watched you grow from a curious, energetic child to a well rounded, polite and caring adult. We have truly been blessed. We have cherished the last 18 years and look forward to the next phase of your life's journey. We are so proud of you and know you will continue to succeed. Good luck, Bill.

All our love,  
Mom and Dad

Dear Jason,

Proud is a word that isn't enough to describe how we feel about you. You have emerged from the shy, timid little boy to become the accomplished, self confident man you are today. We have been honored and blessed to call you our son and we know that you will be and do anything that you set your mind to, continue your focus on services and you will be sure to be successful in college and throughout life.

We Love You,  
Mom and Dad

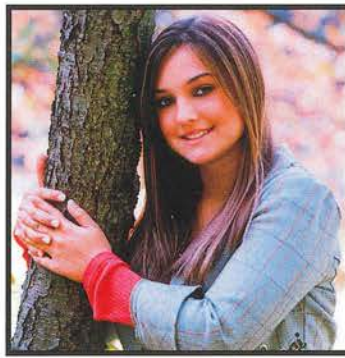

Dear Kristin and Rebekka,

You are wonderful daughters! Our lives have been made rich by your love and laughter, and blessed by your unique spirit.

You both are gifted, beautiful, intelligent and capable young women with bright futures and good hearts. As you take this next step in life, keep your goals in focus, remember to embrace life along the way and continue to cherish the strength you will always have as sisters.

We will always be in your corner!  
Love,  
Mom and Dad

Dear Laci,

Words can not begin to express the blessings, joy and pride you have brought to our lives. When you were a baby, your dad and I wondered how we could ever love another child as much as you. As we found out again and again, it was possible. You have grown into a beautiful and loving young lady who is capable of much success.

As we let you go with heavy hearts, we only pray we have taught you well. You will always be "forever young" to us.

Love,  
Mom and Dad

Dear Sam,

I can't believe it is time for you to graduate. It doesn't seem that long ago that you were that little baby that I held in my arms, the little girl that liked to play sports with her brothers. Now you are a beautiful and intelligent young woman. Good luck in everything you do and do your best in everything you attempt.

Love,  
Mom, Jeremy, and Ryan

Dear Annie,

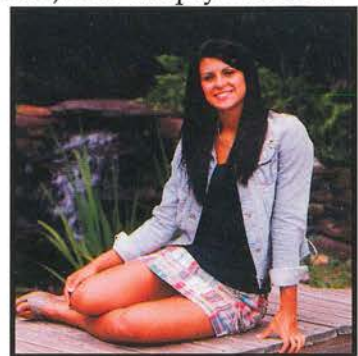

We are proud of the many accomplishments you have achieved over the years. Your hard work and determination will help you to continue with success in the future. Your values, religious faith and morals will guide you, your kindness and honesty abound. We love you for all that you are. Keep Smiling!

Love,  
Mom and Dad

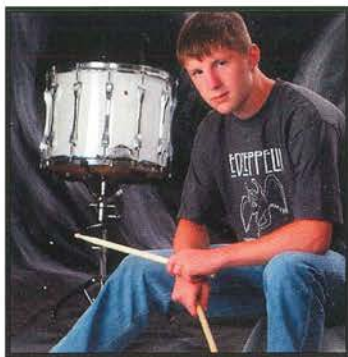

Dear Booie,

From Sarah Elizabeth Ravelli, to Boo E. Boo, to Booie, you have been the bright part of our every day. Your contagious laughter, (until you have tears rolling out your eyes) your quick anger, and your instinctive sense of fairness, have helped mold you into a fun-loving, aggressive, and beautiful person with a kind heart. Use your talents wisely as you "leave the nest" and begin to establish your way. Use your heart openly as you reach out to make new friends, and use your cell phone daily to call the "empty nesters!" We're extremely proud of you and your accomplishments!

All our Love,  
Mom and Dad  
(AKA) The Empty Nesters

Dear Zach,

We are so proud of your accomplishments. Your accomplishments we know did not come easy. You overcame so many challenges in your life and you did so with a positive attitude. What a joy it has been watching you play drums in the band and how proud we are on you becoming an Eagle Scout. You are truly a blessing! We know you will go on to do great things. Remember, God has guided you through your childhood, and he will guide you through the rest of your life! Enjoy the journey!

Love,  
Mom, Dad, and Ethan

Dear Deirdre,

You have been a true witness to the likes of Robert Frost's "Road Not Taken." You literally ran the roads in the woods, chose the paths to take regardless of the majority and hence became the wiser. You have made many choices independent of others and that has made all the difference!

May your choices always be the wiser and your future be filled with happiness, health and love. You have made us very proud parents.

Blessings and Love Always,  
Mom and Dad

Dear Katie,

As we remember the experiences we've had since becoming a family 18 years ago, we can't help but smile. Things have not always been easy, but it certainly has been fun! We know you'll continue to face challenging times but we're confident that you will face each one head on and come out on top in the end.

We love you,  
Mom, Dad, Em, and Lin

Dear Whitney,

Watching you grow has been amazing. You have taught us so much on sunny days. You taught us how to laugh and play. On stormy days, you taught us how to sail our ships straight. Throughout your life, you have shown us glimpses of heaven.

Love You Forever,  
Mom and Dad

Dear Ryan,

You are the miracle we were blessed with seventeen years ago. It's so hard to believe you're graduating from high school and are ready to start a new phase of your life as a college student! We are proud of the humorous, intelligent, sensitive young man you have become. Work hard, pursue your dreams, and you can accomplish everything you desire. Be happy!

Love,  
Mom, Dad and Erika

Dear Bunk,

From the day you were born you've been our pride and joy, from the always smiling little boy who didn't mind giving out hugs to the testy teenager who pushed his limit. With you, there has never been a dull moment.

Although we complained about having to run, run, run, we will miss those hectic days. You've brought laughter and happiness into our lives and we wish you nothing but the best as you begin this new journey. We will miss you as you begin your new life in Kent, but we know you will be back when you need some clean clothes or if you need a little spending money.

Remember that we love you dearly and are always here for you, through good times and bad.

We Love You,  
Mom, Dad, and Erika

Dear Alison,

"You are our sunshine!" and we love you forever! Sept. 5, 1988 was the beginning of our wonderful adventure with you. You have the sweetest spirit and your energy never fades. We are proud of all your accomplishments and we pray God's blessings upon you as you begin your adventure at OU.

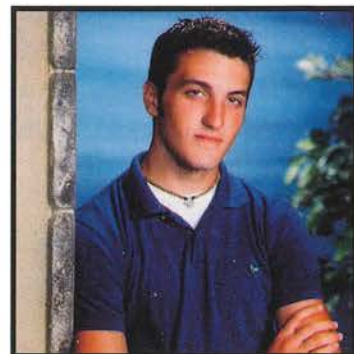

Nugget Kisses,  
Mom and Dad

Dear Jordan,

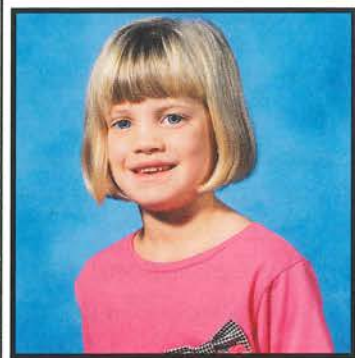

You have been such a joy in our lives. You have always entertained us and filled our home with laughter.

We are very proud of you and all you have accomplished. Good luck at college. We know you'll be very successful.

Love,  
Mom, Dad, Courtney, and Eli

Dear Danielle,

Words can not express how proud we are of the beautiful young lady that you have become. The effervescence of your soul simply radiates upon your life. Your strong tenacious values that you possess along with your constant motivation will always be an inner strength that will set you down the road to success.

The wonderful times and memories that we have shared together will always be permeated in all our hearts.

Your family knows the girl from Panama will reach her lives dreams.

May God bless you forever and always.

We Love You,

Mom, Dad, Kim, and Tommy

Dear Bree,

You are truly unique! Your spirit, laughter and love of life will take you so far. You have experienced so much in your young life with losing your dad, and instead of dwelling on the negative, you chose to find the positive. I am so proud of you, as I know your Dad would be too! Your genuine friendliness and respect of others is an awesome quality. Remember, life is short. Enjoy everyday! Continue to smile and the humor in life as you always have.

We Love You,

Mom, Shea, Alex, Grandma and Poppy

Our Dearest Cheryl,

Congratulations sweetheart, you did it! How proud all of us are of you.

Time goes by so quickly. Eighteen years ago your parents presented the family with a gift from God. Premature, so tiny and fragile you were. You had a lot of hurdles to cross over that first year. To see you now, a beautiful, intelligent, compassionate young woman. How thankful we all are that love you, to have been able to watch you grow and mature. God bless you bunny.

And may God keep you close to his heart, and his angels protect you throughout your journey in life.

Love,

Your Family

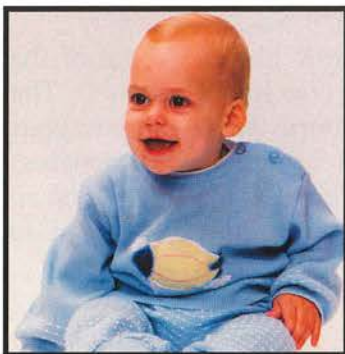

Dear Susan,

It is said that parents bring a child into the world, but it is the child who shows the world to the parents. So it has been with you. We are always in awe of your strength and steadfast determination. From the time you were small, you could enter a room, look around and confidently find your place. Now it is your turn to look at the world and take your place in it. We are proud of you and ask that God bless and hold you safe as you begin the next phase of your life journey. We know you'll be sensational!

We love you,  
Mom and Dad

Dear Jacob,

From the moment you entered our lives, you have been a joy to us. Your sense of humor and your caring heart makes you so special. Your determination and hard work has made you the wonderful man you have become. Thank you for being such a wonderful son. Good luck with all your future dreams.

Love You,  
Mom and Dad

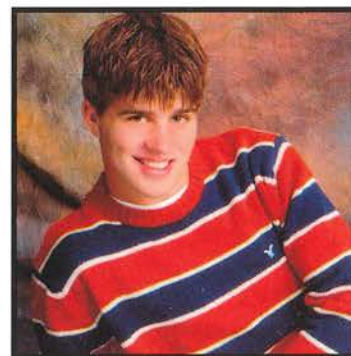

Dear Brandon,

From our brave little boy to our wonderful young man. You have made us so proud.

Your constant hard work and determination has greatly paid off! Who knew the time would go by so quickly?

Never forget how very proud we are of you and how much you are loved. Your future holds great things for you.

Love,  
Mom, Dad, Amanda, and Ryan

Dear Andy,

The years have flown by and we are so proud of the man you've become. Congratulations and never give up on your dreams. You can accomplish anything!

We Love You,  
Mom, Dad, Alison, and Jake

Dear Desi,

You have been unique since the day you were born! Your strength and courage has amazed us all. We always taught you to stand up for what you believe in, and you have done so with great passion. Your huge heart and strong spirit will bring you happiness. You have a great talent for writing and we know you will be successful with however you choose to use it. Be true to yourself, have fun and always know who much you are loved.

Love Always,  
Mom, Dad, and Jeremy

Dear Megan,

You have been a blessing and a joy. You have filled our lives with constant activity and laughter. Honesty and pride are words used with you in mind. Your ability to light up a room just by entering it is just another one of your many blessings.

Love You, Dad

From the first time I looked at your tiny little face I knew in my heart you were a very special little girl. All through life from your first word "daddy," your first step, first time on skates, first goal at soccer and the year you received MVP, first dance at school when you looked so grown up; you always made me so proud of you! I wish you the best on your journey ahead. I know you will continue to make everyone around you happy and proud.

Love You Baby Girl, Mom

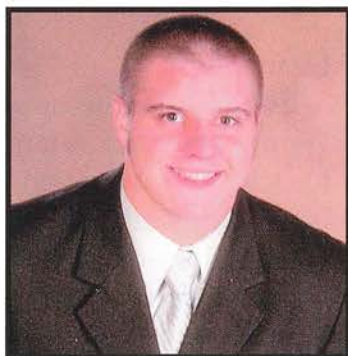

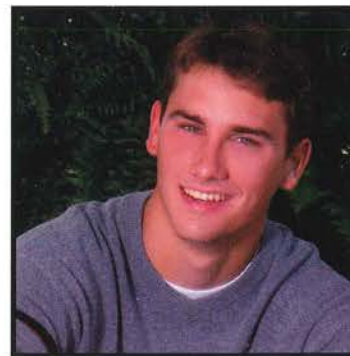

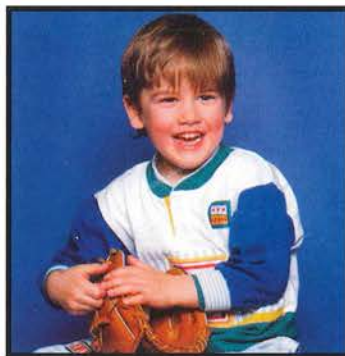

Dear Drew,

As time has quickly moved you forward, you have grown into a fine young man. As your accomplishments have mounted, so has your wisdom and character.

We are very proud of you!

We Love You,  
Mom, Dad and Lindsay

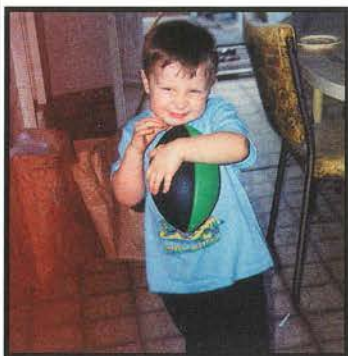

Dear Ty,

These last eighteen and half years with you have been so much fun. You've given us so many wonderful memories (all on DVD) to say we're proud of you doesn't even begin to express how we feel. Your tender heart and adorable dimples are just two of the many terrific things about you, that make being your parents so rewarding. Always know we love you so much.

Mom and Dad

Dear Boe,

The time has gone by so quickly. Once that little boy playing in the yard is now a respectful young man going off to college. We know you will accomplish all your dreams. We are very proud of you. We are so proud of the road you are taking. May God guide you on the journey, Keep dreaming, Keep believing. "Whatever you do, work at it with all your heart, as working for the Lord, not for men." Col. 3:23

Good luck on the next phase of your journey. Your intellectual curiosity and persistence will take you far.

Love,  
Mom, Dad, and Brian

Dear Niki,

I can't believe that it has been 18 years since we brought our beautiful little girl home. I remember all your firsts- first step, tooth, word, first hair cut, first day of kindergarten, with you standing on the bus steps waving and smiling. We had so much fun watching you ride around the yard in your Barbie car with your blonde curls bouncing everywhere.

I think when you were little you had a new bump and bruise everyday, now look at you, you are such a bright, independent and beautiful young woman, whose smile brightens up the room. You have given us so much joy and so many precious memories over the years. Niki you have such a wonderful future ahead of you. We could not have asked for anything more, or be more proud of you. We are so lucky to be your mom and dad, and remember you will always be our little princess. Good luck at OU.

Love you always,  
Mom, Dad, and David

Dear Tyler,

You are God's greatest miracle. There never has been and never will be anyone just like you.

We accept and appreciate the individual you've become with all the unique gifts and special talents you have to give to others.

Always strive for the best, reach for the stars, and do the best you can do.

You have opened our hearts and made us a better, stronger family. Your beaming smile will brighten anyone. Lots of hugs and kisses.

Love,  
Mom, Dad, and Abby

Dear Veronica,

You have grown from a quiet and shy young girl to an outgoing, smart, friendly and beautiful young woman of whom we are very proud. You have sparkling qualities and a zest for life that makes people take notice. You are your own person even though there have been those times we have tried our darndest to change that. Always be true to you and remain the great friend to others, like you have always been.

Thank you for welcoming us to participate in all your school events from elementary room mother and soccer coach dad to your school musicals. We also enjoyed watching you on the cross country course and everything in between. It has been a gift to us to share all those moments with you and we will miss them terribly.

You have accomplished much in your high school days; but now we turn to the new road ahead. As life's new adventures take you from home, please remember you will always be in our hearts and our thoughts every second of each day. Best of luck at Ohio University! We hope you enjoy college life and all that it has to offer; and that your career choices bring you much happiness and fulfillment. Remember your entire family is behind you and we support you always. We love you very much.

Love,  
Mom and Dad

# In Loving Memory of...

A friend can not be summed up as someone we spend time with. A friend is someone who touches our lives in a way in which we will always remember. A true friend can touch you with a hello or even a simple smile. Matthew Lanning was a friend to many and he will never be forgotten.

### Together

Together, my friends, united we stand  
We'll fight a good fight and stand hand in hand.  
Together my friends we'll find the way  
With love and support, a victory each day.

The strength that we show or the knowledge we share  
Can make a person grow and gives us the passion to care.  
The path we choose includes family and friends  
Keeping faithful watch, we can always depend  
On those who surround us and love us for us.  
They give us support without judgment or fuss.

The course we choose to take though life  
Is often filled with triumph and strife.  
Can the path we choose to lead each day  
Change the lives of others? It may.  
Did you know you can change the world?  
Of course you did, or so we were told.

And in the end, you know how we'll be known,  
The family we choose, and the courage we've shown.  
Did I change the world? You bet I did.  
I changed it each day I opened my lids.  
Can you imagine anything more profound in the end?  
Than to change the world by being a good friend.

Together my friends we'll find the way,  
With love and support a victory each day.  
We'll fight a good fight and stand hand in hand,  
Together, my friends, united we stand.

*~Vicki Matthews~*

## Fond Words from Friends

*Mrs. Haddad always had a smile  
and would lend a helping hand to anyone who  
needed it. We miss her.*

*Elaine Haddad was a kind and gentle person. Who always  
was concerned about others. She was an excellent teacher and a  
brave and courageous friend. She is indeed, missed by all.*

*Elaine was a very courageous woman who was an  
inspiration to me. She endured tremendous pain and suffer-  
ing for many years with quiet strength, determination and  
hope. Her dedication to her students, family and friends is to  
be respected. She will be greatly missed. Her positive outlook  
and attitude will always inspire those of us who knew her.*

*Elaine was not only a dedicated teacher but a  
friend. She was courageous and selfless in her fight  
against cancer. She is my hero and I miss her.*

Elaine was one of those individuals who made  
the world a better place. She was a person  
who always thought of others before herself.  
She was a woman of faith and I truly admire  
her will and determination. I also admire  
her as a mother, colleague and as a friend.  
We all miss her greatly but her spirit lives  
on and we know that one day we will see our  
dear friend again.

# Editor-in-Chief

First of all, I want to say that even though it has been a tough and some what aggravating year, it has been fun. There are many people that deserve to be thanked for all their hard work over the year. I first would like to thank everyone on the staff and Mrs. Evans for working hard and taking time out of their busy lives for car washes, candy sales and concession stands. All your hard work has paid off and will never be forgotten. Tiffany, thanks so much. You have learned so much in just a few years and I will always be grateful for everything you have done this year. I also can not forget the help we get from the janitors: thanks for unlocking doors and helping us set up for dances and pictures. It does not seem like a lot but without you our jobs would be impossible.

Next year, I am proud to have Cally Mason as our Editor-in-Chief. I know that you are going to make a great Editor and I wish you the best of luck. Amber Johnston and Scotty Guiler, I am also pleased to know that you are the Co-Editors. Scotty, you have only been in yearbook for one semester but you have learned a great deal and have done so much extra work. Thank you, you deserve this honor. Amber, I have enjoyed working with you for the past few years. Your happy attitude and smile can cheer me right up. Thanks for everything.

Thanks goes out to everyone that I may have not mentioned. There are just too many to recognize. I also want to thank everyone for giving me this job. It has been an honor and I have learned a lot. For the rest of the staff next year, remember there is no "I" in team. As part of the team treat others with respect even if you may not agree with their idea. Thanks again and have a wonderful next year.

Sincerely,

A large, stylized handwritten signature in dark ink that reads "Jenifer Moore".
