And we will soon be phantoms

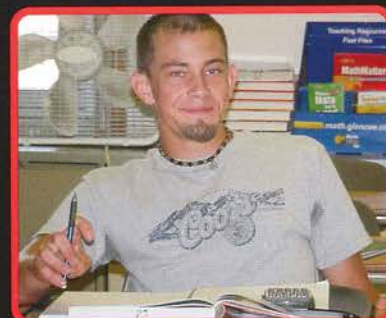

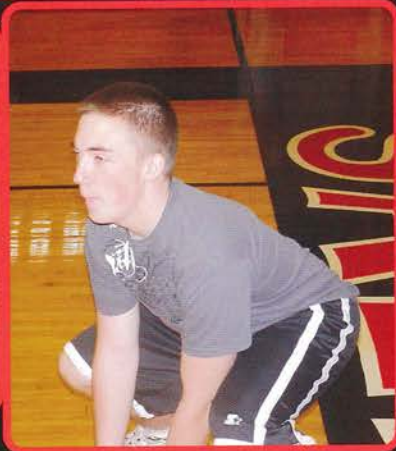

Today I noticed the mortar between the bricks in the wall.
I wondered if they had built it with an intention at all.
Or sort of like the thoughts that they fed us in facts -
I decided they designed it filling hope in the cracks.

Maybe for those, plenty prepared, that will be more than enough.
While for others, slightly scared, they'll be depending on luck.
All that I can ask is that this "hope" thing will last,
And that four years of building bricks won't end up broken too fast.

So say goodbye to all those mornings we spent dragging our feet.
And say hello to all the faces that I'm sure we will meet.
But don't you dare forget the "You" that's left in these walls.
We're the mortar in the creases and the ghosts in the halls.

-Theo Keniston

CLASS OF 2008

SENIOR CLASS OFFICERS

PRESIDENT

To the class of 2008:

Thank you for allowing me to serve as your Class President for the past four years; it has truly been a pleasure. What we have perceived to be trying times will one day be our fondest and most carefree days. As we continue on our journey, our greatest challenge will be facing adulthood. Do not be afraid of the future; the time to act is now. All of us have a clean slate and can start fresh. I hope that all of you continue to grow and embark on new adventures. Be positive and headstrong, and know that with God you can accomplish anything. I wish you the best of luck in all of your endeavors.

Sincerely,
Senior Class President
Sarah Conrad

VICE PRESIDENT

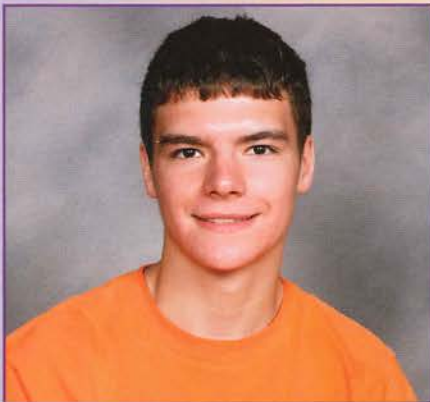

To the class of 2008:

I would like to congratulate and thank all of you for such a great four years spent together! Our class has learned much at Salem High School, but I believe that our experiences have gone beyond an education. We have learned many valuable lessons that will serve as important guidelines for the rest of our lives: the value of friendship, the importance of dreams, and the everyday blessings of faith. It is my deepest wish that your future success would not be measured in a long list of accomplishments, but in the fulfillment of your dreams. "For I know the plans I have for you," declares the lord, "plans to prosper you and not to harm you, plans to give you a hope and a future" (Jeremiah 29:11). I would like to once again thank all of you for allowing me the opportunity of serving as your Vice President. I wish you all happiness in all that you do.

God Bless,
Caitlin Elizabeth Costal
Vice President, Class of 2008

SECRETARY

To the class of 2008:

Throughout our high school career, all the times we have experienced together-the good and the bad- have prepared and matured us for the future that lies ahead. My wish is that the good times will outweigh the bad in our memories and that reminiscing on these four years we have spent together will bring smiles to our faces. To the class of 2008, thank you and good luck in your journey of life.

Sincerely,
Luke Kastenhuber
Secretary, Class of 2008

Congratulations, class of 2008-

We finally made it through! Now, we are all headed in different directions and I'm sure we will all be faced with many challenges. I hope each of you will be determined enough to overcome those challenges and accomplish all of the goals you have today. Cherish the memories and friendships you have made throughout your days at Salem High School because they have helped to make you who you are today. It has been an honor to represent you for the past four years and I wish you all the best of luck in everything you do.

Congratulations and good luck!

SENIOR TIMELINE

Freshman Year 2004-2005: We entered Salem High School as the class of 2008 for our first year of high school. We were led by President Sarah Conrad, Vice President Sarah Brobeck, Secretary Erika Smith, and Treasurer Emily Winn. Rita Liggitt was crowned Salem's Homecoming Queen and Josh Kruegel was crowned the Sadie Hawkins' King. George W. Bush was re-elected as President of the United States. The boys' cross country team became State Division II Champions. Deidre Clary and Liz Shivers also made it to state. We listened to Usher, Green Day, Tim McGraw, and Ciara. We watched *Hitch*, *The Notebook*, and *Ray* rocked the box offices. We watched *Grey's Anatomy*, *Extreme Makeover Home Edition*, and *Laguna Beach* on television as we sadly said goodbye to *Everybody Loves Raymond*. Our Freshman Formal theme was "Hollywood Nights": everyone had a great time. The year came to an end. We were excited to lose the freshman label and now walk into the school known as sophomores.

Sophomore Year 2005-2006: We entered the halls of SHS as sophomores, led by President Sarah Conrad, Vice President Sarah Brobeck, Secretary Jenny Cappuzzello, and Treasurer Emily Winn. Bree Whinnery clinched the title as Homecoming Queen and Veronica Waite became Sweetheart's Queen. Nick Righetti was crowned Sadie's King. We unfortunately lost Mrs. Elaine Haddad to cancer and one of our fellow students, Matthew Lanning, to injuries from a terrible car accident. The boys' and girls' cross country teams both brought back state championship trophies while our football team went 7-3. Brian Wright received a full-ride scholarship to Michigan University. Also, the boys basketball team made it to regionals for the first time in 25 years. In January we watched the Pittsburgh Steelers win the Superbowl. Our Sophomore Social theme was "Super Heros". We all dressed as a favorite super hero or villain and had a great time. We ended the year excited to finally be known as upperclassman!!!

Junior Year 2006-2007: We entered Salem High School as UPPERCLASSMAN, led by President Sarah Conrad, Vice President Theo Keniston, Secretary Jenny Cappuzzello, and Treasurer Emily Winn. We also became a combined 7-12 grade school. Morgan Hiltbrand was the new Homecoming Queen, Alisha Fata was the Sweetheart's Queen, and Justin Skiba was the new Sadie's King. Again, the girls' cross country team captured the state title. Patrick Gorby represented the boys' cross country team at state. The boys' track team won district and regional meets, which qualified them to run at the state meet. We enjoyed watching the *Pursuit of Happyness*, *We Are Marshall*, and *United 93*. We listened to Chris Brown, Nickelback, and Carrie Underwood. We watched TV programs such as *24*, *House*, and *Lost*. We were able to attend our first prom which was held at Stambaugh Auditorium. Justin Skiba and Morgan Hiltbrand were crowned prom king and queen. Our junior year came to an end with a sad goodbye to the class of 2007. We realized it was finally our turn to be seniors.

Senior Year 2007-2008: We entered the halls of SHS as SENIORS! We finally got to decorate our lockers and be the ruling class. Our class was led by President Sarah Conrad, Vice President Caitlin Costal, Secretary Luke Kastenhuber, and Treasurer Emily Winn. We finally got to vote for our own Homecoming Court, Sadie's Court and Sweetheart's Court. Sarah Conrad was named our Homecoming Queen, Lauren Stone was our Sweetheart's Queen, and Theo Keniston was named Sadie Hawkins' King. Our volleyball team made it to the state semi finals. This year's prom was held at The Links at Firestone Farm in Columbiana and the theme was "Palace of Atlantis". Josh Cosgrove was named Prom King and Kathy Ellis was named Prom Queen. Finally, all of the stress of choosing and applying to colleges came to an end. On June 1, 2008 the commencement ceremony was held in the high school gymnasium. We left the school full of great memories and excited for what our futures might hold.

***To the Class of 2008: Congratulations and good luck with everything that you do!!!**

NEW AND RETIRING TEACHERS

Mr. Kibler attended Muskingum University and Youngstown State University for graduate school. He received his Masters in Organic Chemistry and a history degree. In his first year at Salem High School he taught physics and Integrated Science. He would like to thank the 2008 sophomore student council members, the administration, the school board, and all the teachers here at SHS.

Mrs. Jeckavitch attended Edinboro University of PA. for her Bachelor's Degree in Music Education and also Youngstown State University for her Master's degree in Music Education. She has been a part of Salem City Schools for 30 years, teaching music. She would like to thank all of her colleagues and friends for the many memories she has of her teaching career. She will cherish them all. She sends this message to the classes of 1978-2008: "May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face, And rain fall soft upon your fields. And until we meet again, may God hold you in the palm of His hand." -Old Irish Blessings-

Mr. Stewart attended Youngstown State University for his bachelors degree, graduating in 1973. He also attended Kent State for his masters degree which he completed in 1989. He has been a part of Salem City Schools for 14 years. He started out as the Director of Technology, later moving on to Director of State and Federal programs. He was Head Coach for the Salem Girls' Basketball Team for six years. He would like to thank all the administrators, teachers and students. Mr. Stewart said, "We will miss many things, but we will miss the people the most." His advice for the future is to enjoy life and treat everyday like it's your last. Make sure you laugh everyday because you have to have fun.

Band Directors

Benjamin
Ammon and
John Krauss

August marked the beginning of an exciting year for the Salem Band, better known as the "Pride of Salem." Friday night football games took much preparation. Even more hard work was needed for the band's presentation of the famous "Script Ohio." Shortly after marching season kicked off, the band welcomed Mr. Anthony Cassano, a student teacher from Kent State University. He assisted the band throughout the fall and conducted our Annual Winter Concert. Shortly after the departure of Mr. Cassano, the band warmly greeted Mr. Robert Domencetti (a Salem alumnus). He kindly donated his time on a regular basis during our preparation for the Spaghetti Dinner and Annual Spring Concert. To celebrate the 80th anniversary of the Salem High School Band, we invited three Salem Alumni to join us in our spring concert. Master Gunnery Sergeant, Andrew Schuller, who is part of the United States Marine Band, was our featured soloist. Mr. Domencetti, a retired band director from Long Island, New York, was our featured conductor. Mr. Gary Kekel, owner of Mainsail Music in Canfield, was featured on the synthesizer.

The machine shop started a project to raise funds for the purchase of updated equipment in 2005. This was created to keep the students interested and to bring more students into the program. The project was to build a competition jeep completely from scratch using donated parts from several sponsors. The goal was to compete in national rock crawling competitions in both 2006 and 2007, to prove that the jeep was durable to withstand the rigorous courses. The jeep was then raffled off, raising over \$30,000. The students had a very successful year and enjoyed the project.

In every school there are students who for one reason or another lose interest in school. They fail in some of their subjects. Many of them drop out of school to get a job and never finish high school. O.W.E (Occupational Work Experience) C.B.I.P (Career Based Intervention Program) is a program to hold the interest of these young people and to help them to prepare to become well-adjusted, tax paying citizens. O.W.E. is a cooperative effort between the school and the business community. Such a program requires the cooperation of employers willing to hire and train these special needs students. Without the employer, this much needed program would fail. Over the years, hundreds of O.W.E. students have been placed in the businesses and industries of Salem. Many of these former students are still employed in the area, and many with their original employer. Some go on to further their education, and become foremen, supervisors, and managers. The primary reason for their success is the employers who hire and help train them. A commitment from local employers to continue to hire and work with the O.W.E. students will ensure future successes by keeping young people in school while helping them become reliable workers and citizens.

For our underclassmen, continue 'carrying the torch' and taking this program in a positive direction. Remember this, 'I am only one, but still I am one!'"

BASKETBALL

Coach Klucinec and the Quakers Varsity Boys' Basketball Team have made an astounding improvement from last year's 2-18 season, going 10-11 in the 2007-2008 season. Coach Klucenic talked about the team unity at the pep rally earlier this year, and this seemed to be all that the team needed to give them that extra "boost". This year's basketball team has come a long way and is still improving. The boys were led by seniors Brandon Holland, Austen Hutton, Zac O'Brien, and Nick Anderson.

The JV team was coached by George Spack. They finished their season with a record of 8-12. The Freshman team was coached by Andy Miller. We look forward to upcoming years, seeing these boys in action whether it be JV or Varsity. Best of luck to Coach Klucinec and next year's team.

Teacher of the Year

Mr. Jim Shivers

James Michael Shivers, the sixth born child of John and Margaret Shivers, was born on May 21, 1954 at the Salem Community Hospital. His five older siblings are Joe, Jane, John, Carolyn, and Marjorie. His five younger siblings are Paul, Tom, Bill, Mark and Mary Beth.

Mr. Shivers graduated from Salem High School in 1972. While attending SHS, he was a member of student council for four years; a member of the basketball team for four years (captain his senior year; Academic Award winner senior year; All County Team senior year), a member of the cross-country team, and also the football and track teams freshman year. He was also involved in Key Club (Vice-President his senior year), the Art Guild, the Quaker Bi-weekly Staff, the Quaker Yearbook staff, the Varsity "S" Club. Even with all those activities, he found time to be an office aide.

Mr. Shivers graduated from Kent State University with degrees in math and science earning a Secondary Teaching Certificate. While studying at Kent State Salem, Mr. Shivers was a member of the basketball team before going on to Kent's main campus.

Before coming to Salem High School in 1983, he spent two years teaching and coaching in the Alliance School District. Not only has he taught math and science, he has also coached Track and Field and was the head coach of the girl's basketball team from 1987-1988.

The former Paula Lewis and Mr. Shivers have been married for 25 years and have two children: Connor, a sophomore at Kent State University, and Meredith, a sophomore at Slippery Rock University.

Mr. Shivers' students would like to thank him for all the hard work he puts into teaching. We are honored to have him as a teacher and the yearbook staff feels that he deserves this award. Mr. Shivers is a dedicated teacher and parent. Congratulations Mr. Shivers!

After 28 years of teaching, Mr. Shivers is retiring this year. We will all miss you and we wish you good luck in the future. His advice to others is to be kind to one another. Thank you for the years you selflessly dedicated to Salem High School.

Kate Phillips

Although this year has had many ups and downs, I feel that the good has outweighed the bad in the end. We started the year off rocky but the complications seemed to smooth out quickly. I'd like to thank every single staff member we've had this year for working hard and dealing with all of the stress. I'd also like to thank Suehad and Jenn for joining the yearbook staff and taking on such a big responsibility in their first year and Mistee and Lizzi for continuing the fun from last year with me. Thanks also to Mrs. Parks for coming in and organizing a mess that seemed impossible to clean up. I hope everyone can enjoy the final result of our efforts!

Jennifer Leininger

Throughout this year of being in yearbook, I have had a lot of fun and a lot of frustration. As the year started out we all knew it wasn't going to be an easy task but in the end we all came together and created a yearbook I hope you all can enjoy. I would like to thank the other editors, Mrs. Parks, and all of the yearbook staff for working hard and getting the yearbook completed. Good Luck to all returning yearbook staff next year.

Lizzi Pastore

As a junior at Salem High School it has been an honor to be a part of the Salem Yearbook Staff. From the beginning of the year my goal was to create a great yearbook that the students could enjoy. Even though creating this yearbook was very time consuming I am pleased with the outcome. I want to thank Kate and Mistee for two great years and good luck next year on your own! Thanks also to the rest of the staff who has worked so hard!

Mistee Shadle

This year has been a journey for us all. We have many great and fun-filling memories to take with us. It has been great leading this class with the fellow editors. I cannot wait for next year to come with now two years of experience, along with Kate and Lizzi. Now that we have Suehad with some experience joining us next year I have great confidence that it will be an amazing class and yearbook. Good luck to the seniors at college and also good luck to the underclassmen that are joining our awesome staff!

Suehad Awadallah

My experience in yearbook has been fun and rewarding. It has been a pleasure to be a first year editor and create a year full of memories for everyone. I would like to thank all of the staff for working together and creating such a great yearbook.
